

TARPON COVE

YACHT & RACQUET CLUB

LIVE THE GOOD LIFE

With six Har-Tru tennis courts, a fully-stocked pro shop, and more league play than any other club in North Naples, to call the tennis program at Tarpon Cove “active” would be an understatement. On top of that, our professional staff provides private lessons and clinics to help get your game to the next level.

Tennis not your speed? Tarpon Cove Yacht & Racquet Club offers fun at every turn, whether it’s lounging on the tropical-style Pool Deck next to our heated pool, at our member-favorite Tiki Bar, or inside our elegant clubhouse. You’ll need to stay on your toes for a diverse and engaging member activity calendar that’s new every month.

The waterfront Clubhouse offers three dining rooms and two bars with a décor that reflects its Southwest Florida location. Enjoy tropically inspired daily menus, themed dining events, and live entertainment while taking in stunning Florida sunsets.
